Together, we're building our city

One of the hallmarks of a truly great city is a vibrant, open space where people can gather to enjoy culture, the beauty of nature, and various health and wellness activities.

It's a bold vision: taking 10 miles of unused, desolate, and often dangerous land below the Miami Metrorail, and transforming it into a beautiful place where we can all connect and enjoy the very best of Miami. With performance spaces, works of art, gardens, biking and walking trails, playgrounds, and basketball courts, we're building Miami's backyard.

The American cultural anthropologist Margaret Mead wrote, "Never doubt that a small group of thoughtful committed citizens can change the world; indeed, it's the only thing that ever has."

You are invited to join a group of thoughtful and committed citizens called The Underliners. These individuals are inspired by the promise of The Underline and contribute between \$1,200 and \$10,000 annually. Becoming an Underliner is about securing the future and well-being of The Underline's trails, facilities, art, and public programming. These gifts make it possible for everyone to enjoy the beauty and versatility of The Underline. We're following a trail that will change our world... and that's all because of you.

Friends of The Underline Mission

To deliver and activate a 120-acre, world-class linear park spanning 10-miles below Miami's Metrorail that will transform regional mobility and celebrate diversity, culture and lifelong learning. Through innovative urban trails and creative programming, we are connecting people to their environment and each other to create a safe, healthy, equitable, and sustainable community.
